ATTN. Klifurfélag Reykjavíkur (KFR / The Climbing Club of Reykjavík), that owns and operates Klifurhúsið, belongs to the Climbing Federation of Iceland (KÍ) and each member of Klifurhúsið (apart from those who have a ten-time pass and/or a 1-month pass) belong to the club as members as seen in the 6. article of the clubs' laws, and therefore pay an annual member-fee of 2500 kr. to KÍ. By purchasing a membership card in Klifurhúsið, members agree to pay this fee, which goes directly to support and built up the sport of climbing in Iceland.

Monthly subscription plans are paid monthly and can be bought here:  
[www.sportabler/shop/klifurhusid](http://www.sportabler/shop/klifurhusid)

10-time passes are valid for 12 months.

**\*Students are required to add a picture of their school ID when purchasing.** The student membership plan is valid for a minimum of 6 months and automatically expires after 12 months.

When the commitment time for the monthly membership plans has passed, it will automatically renew each month until the member cancels the plan. **There is a 1 month notice for the membership plans and members can terminate the subscription in the Abler app.**

The membership plans are collected via credit card payments or with an invoice to your Icelandic online bank through Abler and the price is in accordance with the Klifurhúsið pricing at each time, which is then revaluated the 1<sup>st</sup> of January each year and updated when necessary. Unpaid membership fees will be sent to further debt collection.

The membership fees are non-refundable, but in the case of illness or injury that prevents the member of using their membership for at least one month, we ask that he/her contact us at [klifurhusid@klifurhusid.is](mailto:klifurhusid@klifurhusid.is) so we can cancel or freeze the membership. The same accounts for if he or she moves temporarily (for minimum three months) and is unable to use their membership.

Members' email addresses are added to Klifurhúsið email list for members to receive notifications regarding competitions and opening hours.

All those who climb at Klifurhúsið do so at their own responsibility.
